

The oldest of three, I am the first person in my family to participate in 4 H. In 5th grade, I was elected 1st Vice President of my club and became very active in 4 H. Cotton Boll and Consumer Judging, Tree Identification, Poultry Judging, and District Project Achievement are some of the events in which I have participated. I am, also, currently president of my middle school 4 H club. I have attended Junior Conference and Camp Rock Eagle in 5th and 6th grade. I have enjoyed being a teen leader at Cloverleaf activities. As an 8th grade Junior 4 Her, I plan to partake in as many Junior activities as possible. My sister, 5th grade Cloverleaf 4 H'er, has just been introduced to 4 H, and I hope to a great inspiration for her to stay involved in 4 H and help her reach for the stars.

I am Altimease Lowe from Camden County, and ever since I was about five years old, I was told I would need braces because of my small mouth. I had braces for two years and I think the experience was passable. There were times my uncle would tease me, using names like "Train Tracks." Also, the list of foods I couldn't eat was ridiculously hard to obey. My dad loved it because he ~~gettimeus~~ ~~Single~~ ~~in~~ ~~me~~ ~~with~~ ~~braces~~ ~~and~~ ~~he~~ ~~has~~ ~~a~~ ~~beautiful~~ ~~smile~~ ~~and~~ ~~a~~ ~~topic~~ ~~for~~ ~~4~~ ~~H~~ ~~project~~ ~~achievement~~.

Leadership Continued

- ✚ Baby sat my brother and sister for my parents
- ✚ Brought cookies for my homeroom's Christmas Social

Community Service and Citizenship

- ✚ Donated items for the Hero Packs at Junior Conference
- ✚ Served as a voting delegate for the 2009 Junior Board
- ✚ Participated in A Million Thanks at Teen Retreat
- ✚ Helped remove 146 lbs of trash from Jekyll Island
