Map of the Columbia River

The following report was prepared for the Columbia River Treaty Commission and is being submitted to the Commission for its information. The report is based on the work of the Commission's staff and other persons who have been assigned to study the treaty. It is intended to provide information on the various issues involved in the treaty and to provide a basis for the Commission's recommendations.

The report is divided into three parts. The first part discusses the general background of the treaty. The second part discusses the various issues involved in the treaty, and the third part provides recommendations on how the issues should be resolved.

The following map shows the sample and some day conditions to the Columbia County, Oregon. It is intended to provide information on the various issues involved in the treaty and to provide a basis for the Commission's recommendations.

The following data was prepared for the Columbia River Treaty Commission and is being submitted to the Commission for its information. It is intended to provide information on the various issues involved in the treaty and to provide a basis for the Commission's recommendations.

Table of Data

Year	Sample	Day
1960	Sample 1	Day 1
1960	Sample 2	Day 2
1961	Sample 3	Day 3
1961	Sample 4	Day 4
1962	Sample 5	Day 5
1962	Sample 6	Day 6

The following data was prepared for the Columbia River Treaty Commission and is being submitted to the Commission for its information. It is intended to provide information on the various issues involved in the treaty and to provide a basis for the Commission's recommendations.
