

Senior 4-H Portfolio

Look over the portfolio examples and the Action Verbs sheet to get you started.

Make sure to type in your information on a weekly or monthly basis.

The template can be downloaded to your computer from www.ugaextension.org/henry.

Use the examples (ex.) under each section to know where to put your information and to give you ideas on what you can plan to build your portfolio.

Please note that all you have to do is type your information next to the bullet. Then hit enter and it will automatically create a new bullet. The typed portion of your portfolio is a 2 page maximum.
