

What All Parents Need to Know about Project Achievement

Dr. Lori Bledsoe, Northwest District 4-H Program Development Coordinator

Al Parker, Northeast District 4-H Program Development Coordinator

- x Parking is limited. Please park your car and walk.
- x The demonstration rooms may be crowded. Please make sure there are 4-H 'ers before sitting. If you need to step out during the competition, don't leave during a 4-H'ers presentation.
- x You can help your 4-H'ers set up and take down from their demonstration during their 5 minute set-up time, but please do not help them during their presentation. Remain as quiet as possible and if you will make your child nervous, please set out of the room before they start.
- x Let your 4-H'ers have some independence during the event to meet new people. Rock Eagle is a great place to enjoy the outdoors and play!
- x
